### **A Shares**

<b>Estimated NAV</b>	<b>NAV per share</b>
US\$ 112,861,086	US\$ 2.2651

As set out in the 2023 Annual Report, the Company is expecting to receive an additional sum of up to \$4m from the MBC Action being the repayment of premiums which had been overpaid on the instruction of MBC Trust. For clarity, this has not been accounted for in the 30 April 2024 NAV as the final quantum and timing remain uncertain. A further announcement on this will be made as and when appropriate.

#### **Notes to Editors**

Life Settlement Assets PLC is a closed-ended investment trust company which invests in, and manages, portfolios of whole and fractional interests in life settlement policies issued by life insurance companies operating predominantly in the United States. The Company seeks to generate long-term returns for investors by investing in the life settlement market, through each of the separate Share Classes. The Company aims to manage its investment in portfolios of life settlement products so that the realised value of the policy maturities exceeds the aggregate cost of acquiring the policies, ongoing premiums, management fees and other operational costs.
