Notes to Editors

Life Settlement Assets PLC is a closed-ended investment trust company which invests in, and manages, portfolios of whole and fractional interests in life settlement policies issued by life insurance companies operating predominantly in the United States. The Company seeks to generate long-term returns for investors by investing in the life settlement market, through each of the separate Share Classes. The Company aims to manage its investment in portfolios of life settlement products so that the realised value of the policy maturities exceeds the aggregate cost of acquiring the policies, ongoing premiums, management fees and other operational costs.
